Hello! I am a detail-oriented Illustrator/Designer who can produce high quality artwork based on any ideas or concepts. I work quickly and efficiently to ensure my output is the best it can be.

I am proficient in both digital and traditional mediums and can work in many different styles. I have experience with:

- Book Illustration
- Video Game Asset Design
- Animation
- 2D Illustration
- Apparel Design
- Branding/Advertising
- Website Graphics
- Creative Team Leadership

I work well both individually and with a team of likeminded individuals. I am motivated from start to finish. Whether it be illustration, graphic design, animation, or even motion graphics/video editing, I have the expertise to give you exactly what you're looking for!
